## How to burn an ISO image to a CD in the Comp Sci lab room:

1. Go to Start, All Programs, Sonic, DigitalMedia Projects, RecordNow Data.

- The Sonic CD writer will open.  
(If you see any prompts about Sonic attempting to update, press CANCEL to stop updating.)  
On the left column, click on **Copy**, then **Burn Image**. On the main window, follow steps 1 thru 3.
